Dear Bob,

Thank you for your 12/14/2010 donation of \$100 to Moose Mountains Regional Greenways! Your support enables us to help communities and willing landowners in the region to conserve critical natural resources, including water resources, farm and forest lands, wildlife habitat, and recreational, cultural and scenic areas. Your contribution as a supporter of MMRG's 2011 Woods, Water and Wildlife Festival makes a real difference by providing the funding we need to do this work.

We look forward to sharing our activities and achievements throughout the year via our biannual newsletter. We will also notify you of our upcoming Annual Meeting, outreach events, and workshops. If you have any questions about Moose Mountains Regional Greenways or conservation options for your family or friends, please do not hesitate to contact me by phone, email or letter.

Thank you again for your donation to Moose Mountains Regional Greenways. I am delighted that you have renewed your support and I hope to see you at the WWW Festival next August!

Sincerely,

Virginia C. Long
