*To the Members of the Farmington Fish and Game Club:*

*On behalf of the New Durham Food Pantry and our Board of Directors, I wanted to take this opportunity to "Thank You" for your extremely generous donation of funds to the Food Pantry.*

*As you may know, the New Durham Food Pantry receives no financial support from the Town or State government. During these difficult economic times, the Pantry is only able to meet the needs of those less fortunate in our community with the generous support of individuals, businesses and civic organizations.*

*With the difficult economic times we all have been facing, the Food Pantry is assisting greater numbers of our fellow citizens and your donation is more vital than ever before. Our holiday baskets efforts alone have increased last season to cover more than 60 families, and we are on track to equal that number this year. The Pantry also provided holiday gifts to approximately 100 children and 12 seniors last year, and is anticipating duplicating that effort this year as well.*

*Your donation of \$500.00 provides far more than a charitable donation. It provides priceless warmth, fellowship and goodwill to junior and senior members of our community throughout the year.*

*Again, a very sincere "Thank You" for your generous support!!*

*Sincerely,*

*William G. Herman, CPM*
